

JOB TITLE: **Nurse Practitioner**
Dr. Jordan Crane
Greater Peterborough Family Health Team
Permanent Part Time – Mornings only Monday - Friday

DESCRIPTION OF TEAM:

The **Peterborough Networked Family Health Teams’** mission is to improve community access to primary care with an overall mandate to keep our residents healthy, reduce wait times, and provide better access to doctors and nurses. Our five teams include 83 physicians and we are funded for 21 nurse practitioners, 6.2 dietitians, 13 mental health clinicians, 2.9 pharmacists, 24 nurses.

This is a unique opportunity for Peterborough, as you would be employed directly by Dr. Jordan Crane who currently has a patient roster of 1600 and is looking to expand his Advance Access practice with the addition of a Nurse Practitioner.

You will be part of the **Greater Peterborough Health Team** and will work in collaboration with Dr. Crane, registered nurses, mental health clinicians, a registered dietitian, and a pharmacist, to provide comprehensive primary care to the patients of his practice.

Please visit our website, www.peterboroughfht.com for more information and to review the **Employee Handbook** located in the careers section to discover the benefits of choosing the Peterborough Networked Family Health Team as your employer of choice.

POSITION SUMMARY:

The Nurse Practitioner (NP) will practice within his/her full scope of practice as outlined by the College of Nurses of Ontario.

We look forward to hearing from you!
